

Call For Papers

7th International Conference on Blockchain Technology

**March 27-29
2027**

**SAPPORO
JAPAN**

Blockchain technology is transforming various industries, from manufacturing to healthcare, as well as fields such as the Internet of Things (IoT), Agriculture, Government, Manufacturing, Travel and Transportation, and Supply Chain.

Submission Guideline

- 1. Abstract/ Presentation:** Abstract submission required; oral presentation only; will not be published.
- 2. Full Paper/Publication:** Full paper submission required; presentation required; will be published.
- 3. Details:** <https://www.icbct.org/submission.html>

1. Submit full papers including results, tables, figures, and references.
2. Accepted formats: PDF or DOC
3. Submission Link:
<https://www.zmeeting.org/submission/icbct2027>
4. or by email: icbct2023@163.com

Call for Papers

- **Track 01: Artificial Intelligence and Machine Learning**
- Blockchain based artificial Intelligent Systems applications in Computers and Communications
- Blockchain based AI and Robotics Technologies
- Blockchain based AI and cloud computing
- Blockchain based Economic paradigms and game theory
- **Track 02: IoT and Cyber-Physical Systems**
- Blockchain-based IoT Applications and Services
- Blockchain-based security for the Internet of Things and cyber-physical systems
- Blockchain-based Internet of Things architectures and protocols
- Intelligent manufacture and management
- **Track 03: Big Data Blockchain in Data Fusion**
- Blockchain Analytics and Data mining
- Distributed data store for blockchain
- Distributed transaction for blockchain
- Blockchain based Data Science and Data Engineering

- **Track 04: Security and Privacy on the Blockchain**
- Authentication and authorization in Blockchain
- Applications of blockchain technologies in digital forensic
- Privacy aspects of blockchain technologies
- Blockchain-based threat intelligence and threat analytics techniques
- **Track 05: Blockchain Research & Applications for Innovative Networks and Services**
- Blockchain Technologies and Methodologies
- Theory of Blockchain in Cybersecurity
- Blockchain in social networking
- **Track 06: Blockchain Empowering Industrial Digital Transformation**
- Applications of Blockchain in Supply Chain Traceability and Logistics Management
- Blockchain Practices in Energy and Carbon Trading
- Blockchain Adoption in Education, Healthcare, and Copyright Protection

Important Dates

■ SUBMISSION DEADLINE

November 05, 2026

■ NOTIFICATION DEADLINE

December 05, 2026

■ REGISTRATION DEADLINE

December 30, 2026

■ CONFERENCE DATES

March 27-29, 2027

Program Preview

■ **December 11, 2026**

Pre-conference Registration of Off-line Event; Pre-test of Online Sessions

■ **December 12, 2026**

Keynote Speeches, plenary speeches and Onsite Sessions

■ **December 13, 2026**

Tutorial&Online Sessions

***Early Bird before
December 30th, 2026***

Conference Proceedings

Submissions will be peer-reviewed by technical committee members. Accepted papers after proper registration and presentation will be published in the International Conference Proceedings Series, which will be submitted to be indexed by Ei Compendex, Scopus, etc.
